WHITE LIGHTNING
LEG JOHNNY™
The Perfect Solution to Clean Commuting

The Leg Johnny™ is the new and better way to protect drive-side pant leg. By locking in excess fabric, the Leg Johnny saves your pants or jeans from rips, tears, and grease stains caused by your bikes chain and chainrings.

Made from a durable and washable nylon, the Leg Johnny provides complete protection, while the open-air design on the back keeps your leg comfortable and prevents over-heating while riding. Thanks to a Velcro® closure, one size fits all!

A reflective strip provides added safety when riding at night.

The Leg Johnny is perfect for daily commuters and urban cyclists.

FEATURES

Made from durable and washable nylon

Open air design

Velcro® closure

Reflective strip

BENEFITS

Long lasting material the resists tears caused by chainrings

Locks in excess pant fabric, while preventing over-heating
